

JC 2033

Celebrating 2000 years of the
resurrection of Jesus-Christ!

THEN THE **WORLD**
WILL **KNOW**

JC2033

Join with Christians everywhere in a historic moment as we Celebrate the 2000 year anniversary of the Resurrection of Jesus Christ together at Easter 2033!

Our movement is so much more than an event. It is a mobilisation of the whole church, an activation of every Christian to walk together, one body with Christ as the head, to see the world impacted thru an outpouring of love, and an undeniable witness to the Risen Jesus.

Humbly walk with us on this path towards 2033..."so the world will know".

- Motivate the Churches to prepare and celebrate the global festivities of the 2000 years of the ministry, death, and resurrection of Jesus Christ culminating in Easter 2033.
